SPILLCONNECT®

**With Legends
SpillConnect
you can:**

**Automate the response to
your Spills. Reduce Cost and
Liability associated with spills.
Comply with local, state and
federal regulations.**

The Advantages of Legends SpillConnect:

- Over 4,000 emergency response contractors already pre-qualified and ready to respond to your emergency.
- Our pre-qualification of emergency response contractors includes screening of: certification, training, insurance, equipment, experience and safety programs.
- Pre-negotiated emergency response rates to reduce cost of emergency response efforts and contain overall accident expense.
- Legends SpillConnect has an ongoing effort to monitor and audit emergency response contractors enrolled in our system.
